

Schule Schloss Salem mourns the loss of

## Manuel Schiffer

who passed away much too young on 12 January 2023.

Schule Schloss Salem owes him a lot. Mr Schiffer taught the subjects Mathematics, Astronomy, Social Studies and Economics and was also active in various functions in the school and boarding school: as house tutor and deputy head of Campus, as project manager of the new Härlen campus and from 2001 to 2010 as Head of Studies. His wealth of ideas, his sense of responsibility as well as his clear perception of the students' perspectives were exemplary. He proved to be an astute analyst, constructive critic and spiritus rector. He was associated with our school until the end as a member of the College jazz band. Salem community will keep Mr Manuel Schiffer in honourable memory.

Our sympathy and condolences go out to his family.
