A STEINWAY CONCERT GRAND PIANO FOR HÄRLEN

1. Salems Engagement for music

Schule Schloss Salem offers many opportunities for students to develop their musical talents.

Music has a long tradition in Salem, therefore there are many activities:

- **Salem Orchestra**

In the Salem Orchestra students of all age groups have the opportunity to develop their musical talents, and in the annual Christmas concert under the conducting of Mr. Braun this is passed on to the parents.

- **Musical Service (Grade 11)**

events such as the **music competition**, auditions in senior residences, **charity concerts**, or the **ABRSM** exams.

- **Instrumental & Singing lessons**

In order to strengthen individual abilities, Salem offers students the possibility of instrumental & singing lessons. The lessons are given by professionally educated music teachers.

And many other activities ...

*„We are capable of more than we think. When we experience this, we will not be satisfied with less..“
-Kurt Hahn*

2. The „88 keys“ project

- The music at Salem International College should be supported to give musicians the opportunity to develop themselves & gain more experience
- Through the symbolic sale of 88 keys, a basic subsidy is to be raised to enable the purchase of Steinway B-211 grand pianos. This requires a wing garage to protect it from damage. The grand piano will be selected after it has been determined how much money has been raised. The rest will be financed by individual donations.
- Also four of the existing grand pianos and one upright piano will be restored to allow a balanced playing and to make the instruments fit for the next years (In the case of a donation for the restoration of an entire piano the name is attached to a small sticker).
