NATURAL SCIENCE CENTRE

SALEM

## Natural Science Centre Salem

### Agenda

1. Natural Science Centre in Salem | Status Quo  
Langbau 1st floor | Physics  
Current project | Langbau 2nd floor | Biology & Chemistry
2. Conversion Natural Science Centre
3. Time schedule
4. Donation options

## Natural Science Centre Salem

### 1. Natural Sciences in Salem I Status quo

#### Physics & NWT I Langbau 1st Floor

Successful renovation of the physics and NWT rooms

[Click here for the virtual tour](#)

#### Biology & Chemics I Langbau 2nd Floor

The premises require extensive renovation and refurbishment due to the pedagogical requirements, the space needed and the technical equipment.

The two floors will become the new Natural Science centre for students in grades 5-10.

## Natural Science Centre Salem

### 2. Conversion Natural Science Centre

#### COLLECTING IDEAS WITH HOHENLOHER - Leading in the development of innovative space concepts for schools

The new premises are being converted for modern science lessons. Open room concepts for both experiential learning and classroom teaching offer the greatest possible flexibility in lesson design and the teaching of learning content.

#### MAKERSPACE | LEARNING LAB NAWIS®

The classroom with many opportunities for research, discovery and learning: thanks to the innovative room design with mobile media supply and flexible equipment, the room can be used for the various needs of MINT lessons.

Natural Science Centre Salem

## 2. Conversion Natural Science Centre

### Technical equipment

The premises are expected to be equipped with the following technical equipment:

#### Mediabuddy

Mobile provision of electricity, gas and internet. The Mediabuddy can be used in any classroom and even outdoors.

[Watch the video](#)

#### Fly One®

[Watch the video](#)

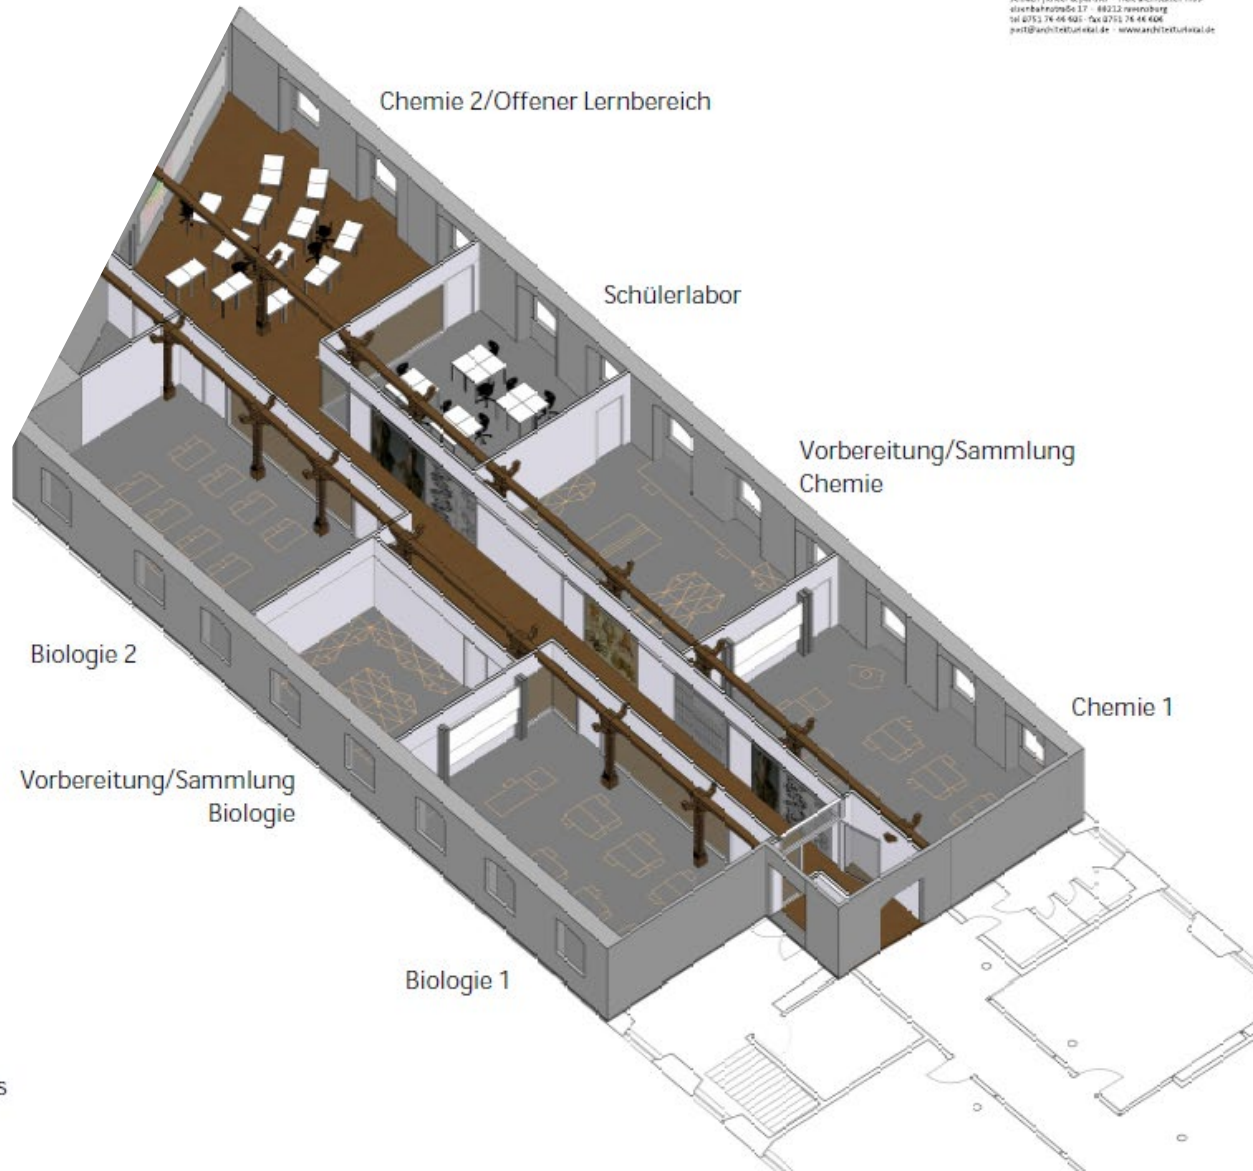

Fly One® provides media such as electricity, data, gas or compressed air in the room where it is needed - precisely and safely.
