Who we are

Schule Schloss Salem is a state-recognised boarding school with around 280 employees. Since 1920, we have been working in line with the vision of our founder, Kurt Hahn, with a clear goal: to shape personalities.

We guide young people from more than 50 nations in taking responsibility, experiencing community, and developing their individual talents. To make this possible, we need staff who are not only professionally competent, but who also work with passion, openness, and heart.

What makes Salem special is not only our students, but also our team: people who enjoy contributing in an international environment, sharing ideas, and actively shaping school and boarding life.

And the best part: beyond our campus, you'll find one of the most beautiful regions of Germany. Lake Constance and the Alps offer opportunities for water and winter sports, cultural variety, and a high quality of life.

Sounds interesting? We look forward to receiving your application!
